

# FRIENDS ARE GOOD FOR YOU

*By Steve Heron*

Friends are good for you

Peek-a-boo, they stick like glue

With extra style

They make you smile

They like to stay

And love to play

Hide and seek

Bubble and squeak

Eating marshmallows

Hiding in the shadows

Blowing bubbles

Easing troubles

On my mind

Being kind

Very trusting

Never disgusting

Cheerfully cheeky

Surprisingly sneaky

Seriously funny

Like the Easter Bunny

Friends confide

By your side

Selflessly sharing

Constantly caring

Eternally loving

Seldom shoving

Saving a seat

They don't cheat

Can be jumpy,

Bumpy and grumpy

Bakes cakes

Makes mistakes

Break up, fix up

Play up, mix up

Occasionally worry

Knows to say sorry

Forgives and forgets

With few regrets

Solve a fight

Like to invite

Sleepover parties

Eating Smarties

Photo bomb, selfie,

Like my post, OMG

Bounce on the bed

Head to head

Heart to heart

Did a ..... fluff

Smelly socks

Pet rocks

Lolly pops

Hit the shops

Banana split

You're it

No returns

Take turns

Keep in touch

Laugh so much

Friends have fun

They're number one

To have a friend

You've got to be a friend

Friends are good for you
