Dear publisher,
I would like to submit my book for your consideration for publication.

MANUSCRIPT SUBMISSION

Book Title: **To the Forest or Bust**

Genre: Picture Book

Age: 4-8 year-olds Word Count: 422

Synopsis:

All the animals are invited to Priscilla Gorilla's party in the forest. How will they get there? Who's going to drive? A peculiarly, poetically playful appraisal of what might happen if animals were allowed to drive vehicles.

Blurb:

The mind boggles at what may happen if animals drove vehicles.

Where it may sit in the market:

Chain Bookstores; Classrooms; Department Stores; Indie Bookstores; Libraries;

Comments:

An illustrator would be in their quirky element creating the various images for this book that will entice children into responding time and time again with, 'Nooooo!' It could be set in a child's bedroom where he/she has lined up the toys and invited them to the party in the forest. Or in a zoo with the animals having a meeting about who is going to drive after they all received the invitation to the party. Adults will enjoy reading this book to children as they try to get their tongue around the alliterations and twisters as well as taking a breath between their own outbursts of laughter.

Smilingly,

Steve Heron OAM
