Comments:

I woke up one night with the image of an Echidna with marshmallows on his spines. 'That's random,' I said, 'a picture book in the making.' Many randommy rhymes and ambitious alliterations later this book was created. It is in a similar vein to picture books where the characters are added, and the numbers build as they head off on their pilgrimage. A bit like Mr Gumpy's Outing by John Birmingham, but with a friendlier outcome.

Smilingly,

Steve Heron OAM
